If you were assigned this contract from a third party (such as an AGBRIDGE™ Adviser), you understand and agree that no agency relationship between Scruggs Equipment Company, Inc. and that third party is implied or suggested by the fact that such third party assigned this contract to you.

1. OVERVIEW

Scruggs has developed and markets AGBRIDGE™ consisting of AGBRIDGE™ services in the form of software, data transport and data storage services plus AGBRIDGE™ system hardware (“**AGBRIDGE™**”); and distributes AGBRIDGE™ to customers (“**Customer or Customers**”). Customers can be Agriculture Crop Advisers, Retailers, and other Agriculture supply/support organizations (“**Adviser or Advisers**”), or Agriculture Growers or Farmers (“**Grower or Growers**”); and distribution can be direct to Advisers and Growers, or through Advisers to Growers. To collect and transfer data under this Contract, Customer must activate an Adviser or Grower Account (“**Account or Accounts**”). This Contract sets forth the terms governing Customer’s activation and use of an AGBRIDGE™ Account, including access to and usage of the Web Portal, Mobile App, and Sync Client (defined in Section 2) during the Subscription Period (defined in Section 5.1). The Effective Date of this Contract is defined by the first day of Activation (defined in Section 2.5).

2. SERVICE

2.1. Service. AGBRIDGE™ Services (**Services**) is a Scruggs-proprietary data transport service that includes an AGBRIDGE™ Mobile App (“**App**”), wireless data transfer (“**Data Transfer**”), cloud-based data storage and retrieval, sync-client software, and web portal data access and account management. The AGBRIDGE™ Mobile App is downloaded by Customer from the current official Android or iOS mobile app stores onto one or more of Customer’s mobile smart device or devices (“**Device or Devices**”). The web portal (“**Portal**”) and sync client software (“**Sync Client**”) allow Customer to use Customer’s computer to view, access and manage data stored on the AGBRIDGE™ Cloud Server(s) (“**Server**”) that has been obtained from the System Hardware (defined in Section 3.1). AGBRIDGE™ Services enable the collection, management and transfer of data between System Hardware and Servers using Customer’s own data communication services as contracted by Customer at Customer’s sole discretion. At the sole discretion of a Grower, an Adviser Account may be linked to a Grower Account (“**Linked Account**”) to enable an Adviser to access Grower’s data stored on the Server, and to enable data file transfers from the Adviser to the Grower.

2.2 Use of Portal. During the Subscription Period, Customer will have access to and use of the Portal available at www.agbridgemoible.com, a website managed by Scruggs. Scruggs will assign to Customer a unique User Name, temporary account password, and temporary admin password for Customer’s use of AGBRIDGE™. Customer is responsible for establishing and maintaining Customer’s own secure passwords thereafter via use of the Portal. These secure passwords are required to enable the use of the App and the Sync Client. Customer will control access to and use of the user name and password(s) by Customer’s employees, and Customer will promptly notify Scruggs of any unauthorized use of the user name or password(s). Customer will not (i) permit access to or use of the Portal via the Customer user name and/or password by any third parties, or (ii) assign or transfer access to the Portal or use the Portal except as set forth in Section 7.6 of this Contract. However, Customer assumes full responsibility for the actions of any such third party with respect to AGBRIDGE™. To use the Portal, Customer will contract with an Internet Service Provider (“**ISP**”) of Customer’s choosing. Scruggs will not have any responsibility for the ISP connection or any Internet communications link between Customer’s computer and the Server. Scruggs will not have any liability for any interruption or break in the Portal services as a result of downtime or failure of any Internet or ISP connection..

2.3. Use of App. During the Subscription Period, Customer will have access to and use of the AGBRIDGE™ Mobile App as designated by AGBRIDGE™ for use on Customer’s own mobile smart device(s) that meet the minimum specifications or requirements as published by Scruggs. The App enables data transport between the AGBRIDGE™ Cloud Server and an AGBRIDGE™ Drive. Customer will not (i) permit access to or use of the App via the Customer user name and/or password by any third parties, or (ii) assign or transfer access to the App or use of the App except as set forth in Section 7.6 of this Contract. However, Customer assumes full responsibility for the actions of any such third party with respect to AGBRIDGE™. To use the App, Customer will contract with a Cellular Service Provider (“**CSP**”) and have a mobile device and data plan that meets the specifications and

requirements published by Scruggs. Customer will be solely responsible for the choice of its CSP, mobile device, and for any CSP fees, maintenance support, and other CSP expenses. Scruggs will not have any responsibility for the mobile data connection or any Internet communications link between Customer's mobile device(s) and the Server. Scruggs will not have any liability for any interruption in AGBRIDGE™ services as a result of downtime or failure by the CSP.

2.4. Use of Sync Client. During the Subscription Period, Customer will have access to and use of a third party sync client software subscription as designated by AGBRIDGE™ for use on Customer's own computer(s) that meet the minimum specifications as published by Scruggs. The Sync Client enables replication of all Customer's data to a target folder on Customer's computer(s) and on the computer(s) of any of Customer's Advisers as designated by Customer. Customer will not (i) permit access to or use of the Sync Client via the Customer user name and/or password by any third parties, or (ii) assign or transfer access to or use of the Sync Client except as set forth in Section 7.6 of this Contract. However, Customer assumes full responsibility for the actions of any such third party with respect to AGBRIDGE™. To use the Sync Client, Customer will contract with an Internet Service Provider ("ISP") and have a computer and connection to the Internet that both meet or exceed the specifications or minimum requirements published by Scruggs, if any. Customer will be solely responsible for the choice of its ISP and for any ISP fees, maintenance support, and other ISP expenses. Scruggs will not have any responsibility for the ISP connection or any Internet communications link between Customer's computer and the Server. Scruggs will not have any liability for any interruption or break in AGBRIDGE™ services as a result of downtime or failure of any Internet or ISP connection.

2.5. Service Activation. To enable Customer to use AGBRIDGE™ Services an AGBRIDGE™ Account must first be activated ("Activation"). Activation will occur upon acceptance by Scruggs of a Customer's order, either by written or verbal purchase order, or by up-front payment by Customer, as determined by Scruggs. At the time of Activation, Services will commence for the activated Account immediately following acceptance by Customer of the terms and conditions of this Contract and will continue in effect until the end of the Subscription Period. The date of Activation is also the Effective Date of this contract. Upon expiration of the Subscription Period the Services governed by this Contract will cease, unless Customer elects to purchase an additional AGBRIDGE™ Subscription Contract. This Contract does not automatically renew. Terms and conditions published on the www.agbridgedata.com website at the time of purchase, activation, or renewal of Services will apply to each AGBRIDGE™ Subscription Contract.

2.6. Linked Accounts. At the sole discretion of a Grower, an Adviser Account may be linked to a Grower Account ("Linked Account") to enable an Adviser to access Grower's data stored on the Server, and to enable data file transfers from the Adviser to the Grower. Grower will have complete control over establishing a Linked Account relationship with an Adviser by way of the Portal. It is understood that a Grower may wish to grant access to Grower's account on the Portal and by way of the App to an Adviser for the purpose of managing Grower's account links and conducting other AGBRIDGE™ activities. If access is granted by Grower to an Adviser, Grower acknowledges that Grower assumes full responsibility for the actions of any such Adviser with respect to AGBRIDGE™. Grower fully understands and agrees that any third party that Grower has granted access to Grower's account, including but not exclusively an Adviser with a Linked Account relationship, at Grower's request or not, may accept the terms and conditions of this Contract while accessing Grower's account through the App using Grower's passwords; and in such instance, this acceptance will be binding on the Grower until the Subscription Period is over, or until the contract is terminated.

2.7. Abuse or Fraudulent Use of the Services. Scruggs may restrict or cancel, at its sole discretion, Customer's Services under this Contract if there is a reasonable suspicion of Abuse or Fraudulent Use. Customer will not abuse or make fraudulent use of the Services, and agrees (a) not to engage or participate in, or permit, any Abuse or Fraudulent Use of the Services, (b) to promptly report to Scruggs any such Abuse or Fraudulent Use of which Customer becomes aware, and (c) to cooperate in any investigation or prosecution relating to any Abuse or Fraudulent Use initiated by Scruggs, Adviser, or legal representatives of Scruggs. Customer is solely liable for charges, costs or damages resulting from Abuse or Fraudulent Use. "Abuse or Fraudulent Use" of the Services includes, but is not limited to:

- (j) Use for any unlawful, illegal or fraudulent purpose;

To the extent permitted under applicable law, Customer will not be credited or refunded any charges for Services interruptions resulting from any restriction or cancellation of Services under this Section or any prepayment for Services during the period of such restriction or following such cancellation.

3. HARDWARE AND SOFTWARE.

3.1 Hardware. AGBRIDGE™ Drive(s), together with ancillary equipment such as cables, auxiliary power kit(s), and rechargeable battery(s), will be referred to herein as the “**System Hardware**.” Customer’s use of the System Hardware in connection with the Services is subject to all terms of this Contract. System Hardware is purchased separately by Customer for use with AGBRIDGE™ Services. Customer is responsible for maintaining System Hardware in good working order. All System Hardware are backed by the AGBRIDGE™ Hardware Limited Warranty (available at www.agbridgedata.com). To the extent that Customer permits a third party to use Customer’s System Hardware, Customer acknowledges and agrees that such third party may have access to Customer Content, as further described below.

During the term of this Contract, Scruggs grants to Customer a non-exclusive, revocable license to use the System Software solely (i) in conjunction with use of the System, and (ii) with System Hardware. Scruggs further grants Customer the right to transfer Customer’s license to use the System Software, which does not include the Services, during the useful life of the System Hardware in conjunction with the transfer of the ownership of the System Hardware. Customer agrees that Scruggs may require update of the System Software on any of Customer’s System Hardware during the term of this Contract as often as is deemed appropriate by Scruggs, and may require Customer to participate in or action the updates as necessary.

4. DATA.

4.1 Data Collection, Storage, and Use. Scruggs acknowledges that this Contract does not grant Scruggs any rights to Customer data or information (“**Customer Content**”) that Scruggs may receive under this Contract except for the rights of use described below and in the AGBRIDGE™ Data Services and Subscriptions Data Policy. Advisers authorized by Customer through a Linked Account to access and use the Customer Content are “**Authorized Advisers**.” Customer acknowledges that it has been notified of Data Services and Subscriptions Data Policy and Customer hereby grants Scruggs the right to use Customer Content as described in this Contract and as needed to provide AGBRIDGE™ Services under this Contract, including, for example, collecting and hosting Customer Content. This permission extends to third parties engaged by Scruggs in connection with providing the AGBRIDGE™ Services. Without limiting the foregoing, Customer acknowledges and agrees that Scruggs may disclose Customer Content to outside parties to (a) comply with any applicable law, regulation or compulsory legal request; (b) protect the safety of any person from death or serious bodily injury; (c) prevent fraud or abuse against Scruggs or other parties; (d) to protect Scruggs’s rights; or (e) defend Scruggs and its affiliates or personnel from any legal proceedings. Customer acknowledges and agrees that the Customer Content may be transferred out of the country where it is generated to other destinations, including but not limited to the United States of America. In the event that the Customer Content includes Customer’s or third parties’ personal information, Customer hereby consents to the collection, use and disclosure of such personal information to permit Scruggs and Authorized Dealers to access and use the Customer Content as provided in this Contract. CUSTOMER WARRANTS THAT IT HAS PROVIDED ALL NECESSARY NOTIFICATIONS, AND OBTAINED ANY NECESSARY CONSENT FROM ITS EMPLOYEES OR ANY OTHER INTERESTED THIRD PARTIES TO COMPLY WITH ANY APPLICABLE PRIVACY LAWS OR CONTRACTUAL AGREEMENTS WITH SUCH EMPLOYEES OR THIRD PARTIES AND TO PERMIT SCRUGGS AND AUTHORIZED DEALERS TO ACCESS AND USE THE CUSTOMER CONTENT AS PROVIDED IN THIS CONTRACT. UNLESS AND UNTIL CUSTOMER REQUESTS REMOVAL OF SCRUGGS’S ACCESS TO AND USE OF CUSTOMER CONTENT, AS PROVIDED IN SECTION 4.2 BELOW, SCRUGGS WILL CONTINUE TO HAVE ACCESS TO AND USE OF PAST, CURRENT AND FUTURE CUSTOMER CONTENT DURING AND AFTER THE TERM OF THIS CONTRACT AND THE SUBSCRIPTION PERIOD.

4.2. Restriction of Data Access and Usage.

4.2.1. Scruggs. While Customer subscribes to AGBRIDGE™ Services, Customer may not restrict Scruggs's access to and use of Customer Content, excluding the limitations stated in this Contract and in the AGBRIDGE™ Data Services and Subscriptions Data Policy Statement.

4.2.3. Data Retention. Unless and until Customer requests removal of Scruggs's access to and use of Customer Content, as set forth in Section 4.2.1 above, Scruggs will store the Customer Content during the Subscription Period, provided such data storage is in compliance with all applicable federal, state, provincial and local laws and regulations. Thirty days (30) after termination of this Subscription Contract, either by Customer or Scruggs as defined in Section 6, Scruggs will delete all Customer's Content from the Server. 5.2. Taxes. All prices and rates affiliated with the Services or System Hardware do not include use, excise, goods and services, sales (including provincial sales tax or harmonized sales tax) or similar taxes assessed at any time. If any taxes must be deducted from any amounts payable or paid by the Customer hereunder, the Customer will pay such additional amounts as may be necessary to ensure that Scruggs receives a net amount equal to the full amount which it would have received had no such deduction or withholding have been required. Excepting those taxes imposed upon Scruggs and regulatory license fees, all applicable taxes and/or assessments will be paid by Customer. Customer is responsible for payment of tax whether it is concurrently invoiced to Customer with the original invoiced amount or subsequently invoiced based on Scruggs's later review of facts affecting Customer's tax status or determination that the laws of the country, state or province where the Services were delivered requires assessment and collection of tax. In the event that Scruggs pays any such taxes on behalf of Customer, Customer will reimburse Scruggs in accordance with Section 5.1 above.
