

**Dear Husky Supporters and Donors:**

**Welcome to the 2016-2017 Husky Athletic Season!** This is an exciting time in Husky Athletics and building a championship program is a team effort, and our donors play an important role in this process. While your financial assistance is important your connection and loyalty to the Husky Softball program is of equal importance. Donors play a key role in helping our dedicated student-athletes achieve excellence and play in integral part of creating lasting memories for our students through spring travel experiences.

On October 1<sup>st</sup>, 2016 the St. Cloud State Softball program will be hosting the **Inaugural Husky Softball Bag Toss Fundraiser Tournament**. The event will be held at the poolside social area of the Best Western/Kelly Inn and we expect over 100+ participants made up of our current team, alumni, families, and Husky athletic supporters. We are looking for donors to assist in making this a top-notch event for our alumni & supporters, and to assist our program in raising additional funds that will be applied towards to our travel costs this spring.

If you, or your company, are able to support our cause we will provide your company a complementary sign at the site of the event and in our promotions materials. If you have an item that your business would like to donate to the event we are looking for great items to be used in our silent action.

To make a donation today, please provide a payment or prize donation and all company information on the form below. Checks can be made payable to **SCSU Softball**. If you have any further questions, please call Coach Paula U'Ren at 320-308-2900, for email the softball office at [softball@stcloudstate.edu](mailto:softball@stcloudstate.edu).

---

Please detach and send in the bottom portion. Support the Huskies Softball program at our Alumni & Supporters Weekend Events.
