Re: Letter of Recommendation  
Southland HVAC & Construction, Inc.

To whom it may concern:

Thank you for the opportunity to tell you about my on going experiences with Edward Bezinover, the founder of Southland HVAC and Construction, Inc.

Edward has been a Carrier Dealer for more then a decade. Throughout that time he has successfully designed, installed and serviced dozens of HVAC mechanical and Carrier energy management control systems. In fact, Edward has installed and maintained some of the most sophisticated DDC systems for smart buildings throughout Southern California.

It is an honor to recommend Mr. Bezinover. I have absolutely no doubt that once given the opportunity; you will feel the same way as I.

If I can be of assistance in any way, please contact me directly, you can reach me at (562) 833-8508.

Sincerely,

John Esparza  
Sales Engineer
