Dear (Recipient's name),

I am writing this letter to you in order to inform you that I have decided to resign from my job in the force and with 2 week notice period, I will leave on the 25th of this month.

I have worked as a police officer for more than 2 years and up until now, the salary and benefits were enough for me but now that I am married and I have a family to support, I can't think of any possibility of supporting my wife and children on this salary.

This is the one and only reason that led me to resign from my job. It is not like I am happy about this decision but I have to do it for the sake of my family. I joined the force because I like being working as a police officer but now that I am a family man, I have to think of my spouse ahead of everything else.

I hope you will accept my resignation and arrange for my final paycheck before notice period ends.

Yours faithful,
