Gerald Nance
President, Ulrich District School Board
100 Broadway Lane
New Parkland, CA, 91010

Dear Mr. Nance,

Please let this letter serve as my official resignation from the Ulrich District School Board effective immediately. It is my opinion that the board no longer serves the best interests of the students and I cannot find my way to serving on a board where politics is more important than the education of our children.

Over the past several months, it seems to me that certain members of the board are more interested in campaigning for their board seats than they are in developing worthwhile policies. The last budget debate was also a disgrace to the entire board that was broadcast to the entire area on television. I was never more embarrassed to be part of a school board than I was at that moment.

I do wish you and the board well, but I fear that major changes are in order if the board is to truly do its job. If you need to contact me for more details or information in regards to my resignation, please call me at 555-643-6533 or email me at billgould@email.com. I ask that you keep the students in mind as the board moves forward.

Sincerely Yours,

William R. Gould
