Bishop Paul S. Morton
International Presiding Bishop
Full Gospel Baptist Church Fellowship International
3350 Greenbriar Parkway SW
Atlanta, GA 30331

Dear Bishop Morton,

As a follow-up to our conversation earlier today (Ellis/Morton), please accept this letter as my **official resignation as the 2nd Presiding Bishop** and as a **member of the Bishop's Council of the Full Gospel Baptist Church Fellowship International**, with immediate effect. I would wish for this letter to also serve as the **official withdrawal of my membership** and that of the **Mount Tabor Full Gospel Baptist Church in Nassau, Bahamas**, from the Full Gospel Baptist Church Fellowship International.

I wish also for this letter to record my thanks to Almighty God for guiding my **heart, hands** and **mind** over the past 20 years as I have transitioned from role to role in our Fellowship and I wish to express gratitude to you for allowing me to serve.

In **1994** I began my tenure as **State Overseer for The Bahamas**. At that time, the Bahamas was under the Florida Region. Within 10 months and by God's almighty grace, we grew from **3 churches** to **16 churches**. This rapid growth resulted in the Bahamas becoming a new region, and in my being consecrated in **1995** to the office of Bishop appointed to serve as the first **Regional Bishop for the Bahamas**.
