

REEF OASIS ■ BLUE BAY RESORT & SPA

11th January 2012

TO WHOM IT MAY CONCERN

This letter of recommendation is to confirm that Mr. Daniel Irvine was employed by the Reef Oasis Blue bay Resort & Spa in Sharm El Sheikh, Egypt in the capacity of Head Chef (Sous Chef) for our French Fine Dining Restaurant.

The Reef Oasis-Blue Bay Resort & Spa, (According to Trip Advisor) is known to be one of the top seven best luxury 5* hotel in Sharm El Sheikh. The resort, with an all inclusive concept, has 750 spacious rooms, 7 restaurants, and 24 hour room service.

Daniel has just completed his 2 years contract, which began from the 11th January 2010 until the 10th January 2012. Throughout this period Daniel clearly proved to me and upper management that he is a very ambitious, hard working individual and an over all well respected member of the kitchen team. Daniel participated in successfully perfecting the quality of our French restaurant standards and also introduced new menus for this particular outlet. On top of his original duties, he also played a very active roll in helping out in other restaurants within the property. Daniel additionally has good administrative skills and performs outstandingly even when under heavy pressure.

Even though a new contract had been offered to Daniel by the Reef Oasis Company, he still decided to leave us to broaden his experience else where. On behalf of the management, kitchen team and my self; we thank Daniel for the fine work he has contributed during his employment here and wish him all the very best and much success for his future career.

I would also like to add, that if any future employer needs to ask any questions concerning Daniel's qualifications, it would be my privilege to be his reference.

Kindest regards,

Thomas Miescher
