

Common Recommendation Form

Grades 6–12

Dear Valued Partner in Education,

The Lake Michigan Association of Independent Schools (LMAIS) is a non-profit organization established to promote educational excellence by supporting the interests of independent schools in Illinois and Indiana, building strong relationships among independent schools, and creating innovative opportunities in professional development for the faculty, staff and administrators in independent schools.

Enclosed is a recommendation form that is used by all LMAIS schools (*please reference the last page of this document for a comprehensive list of LMAIS schools*) in determining if the applicant is an appropriate fit for the institution to which the student is applying. This form is only one of many pieces of information used to get to know the applicant. A full report from the applicant's present school is necessary if the student is to be given consideration for admission. Our ability to effectively evaluate this student is helped considerably by your timely and candid insights. **If you feel that this form is not reflective of your school's mission, ethos, or pedagogy, please do not hesitate to provide an alternative assessment of the applicant on school letterhead. All information that you furnish will be kept confidential to the extent the law allows, and will not be retained as a part of the student's permanent record.**

LMAIS has identified the following assessment benchmarks used herein. Please take a moment to review the benchmark headers, as well as their definitions, to ensure accurate and effective completion of the enclosed form.

- **Truly Outstanding:** Exceptional student
- **Excellent:** Exceeds what is developmentally expected for this age group
- **Good:** Sometimes exceeds what is developmentally expected for this age group
- **Average:** Meets what is developmentally expected for this age group
