If you register online, please bring completed form with you to first class or mail it to above address. Weather cancellations may extend session or push "make up" classes to a different day. Class tuition is due prior to first day of class. Payment can be made online at ZfitClub.com/dance-team/ or by check to Zfit Club. Session fee does not include performance shirt (\$18). We will be using the same Dance Team shirt as Fall 2013 session. All dancers will need to purchase full length yoga/jazz pants (loose around ankle) for performance. Uniform shirt fittings will begin at first class on 1/9/13. Performances are optional, but encouraged. Any dancer wanting to be considered for Dance Team Elite (DTE/performance teams) must complete 2 sessions or camps with Coach Teague before they can apply. DTE teams are selected based on skill level, not age. All dancers may be taught flash mob dances in class. Flash mob events are not mandatory, but are a LOT of fun! Winter session youth dance team members can also attend adult ZfitClub classes with parents until 3/31/14 (as long as they participate in entire class & are respectful to other students/instructor).
