Marketing data summary request form

Your privacy is very important to us and we want to provide you with a clear understanding of the type of information that may be contained in our marketing databases.

By completing this form and including your signature, you hereby request access to view information related to your name and address as indicated below as it exists in Epsilon's marketing databases. You confirm that you are the individual who resides at the provided address and that you are over the age of 18.

A voided check must accompany this form. The voided check is for identification verification purposes only and will be securely shredded upon verification. Only one name and address may be included on this form. If you would like information for another name and address combination, you will need to complete and mail a separate form and voided check.

You will receive your marketing data summary via postal mail at the address provided below. This information will only be used to look for your information in the Epsilon marketing databases. All fields are required.
