<input type="text"/>			<input type="text"/>

## Approvals

By default, all Business Online Banking customers will have the ability to send internal transfers to linked accounts as well as UK and international payments. If you also require approvals on these payment types, please complete the details below:

### Payments & Additional Approvals

UK and international payments are provided as a standard feature of the service.

Do you want all UK and international payments to have approvals?

Yes  No

Additional approvals can be carried out by either an authorised signatory user or an authorised user (but not the user who has submitted the payment request).
