

A petition to adjust record **must be made within one year following the end of the semester in which the courses were taken**. Petitions **will not be considered** for courses within a completed program of study from which the student has graduated, or for courses for which a grade of C or higher is earned. For more information, please see Florida Administrative Code 6A-14.0541 and SF College Board Rule 7.11.

Along with the completed petition form, the following documentation **must** be included:

1. **Typed student statement**
 - Briefly (1 to 2 typed paragraphs) explain your situation in enough detail that the committee can understand the extraordinary nature of the hardship.
 - If seeking to drop from only part of your class schedule, be sure to explain the reason for the selectivity.
2. **Unofficial transcript**
3. **Supporting documentation** - examples may include:
 - Medical - a letter from physician on official letterhead with dates and physician signature. The letter must indicate the severity, duration, and academic impact of the condition and recovery period. If the medical situation relates to an immediate family member, the medical documentation must verify your role as a *caretaker* for the family member.
 - Death of **immediate** family member (parent or legal guardian, spouse, child or sibling) – an original death certificate, newspaper notification, or obituary must be submitted. In addition, it is the student's responsibility to establish the relationship to the deceased individual.
 - Military – Original military orders relevant to term.
 - Professor or departmental feedback is **highly recommended**. Feedback should include attendance information, academic performance, and any other relevant information helpful to the committee. ***Departmental feedback is required for petitions involving a professor complaint.***
 - Any other relevant documentation of hardship. If personal letters are included, they must be signed and notarized.

A separate form and packet must be completed for each semester being petitioned. Please be sure all form(s) and supporting documentation are professionally presented and that any copies are legible upon submission. Petition packets **should not exceed 8 pages total**, not including instructor feedback. If you need assistance filling out this form, please contact the Counseling Center in R-227.
