All physicians must schedule a photo studio appointment with a member of the PR & Marketing staff. Your image will be used for display on our website, www.GCH.org, as well as other marketing projects.

To ensure continuity in the images, professional attire is necessary (no scrubs, t-shirts or sweatshirts). Men: Lab coat, dress shirt, tie, sweater, etc. / Women: Lab coat, professional shirt or blouse. Lab coats are available in our studio if you do not have one or forget yours.

Physicians can request to receive a high resolution digital copy of their portrait. Appointments can be made by calling 734.458.4276. PR & Marketing is located on the hospital's main campus, in the Office Centre East Building, 2nd floor (across from Human Resources).
