Dear _____

My name is _____. Due to an illness/accident, I have applied for a NEADS Service Dog to help me in my everyday life. This highly trained dog will assist me by picking up things that I drop, flipping light switches on/off, opening doors, alerting someone when I need help, and will even carry things for me in a small backpack. In addition, my Service Dog will be my 24-hour companion and will accompany me to school/work.

When NEADS has identified a dog that is a good match for my personality, lifestyle, and assistive needs, I will travel to their campus in Princeton, MA and live there for two weeks while I learn how to work with my new Service Dog.

NEADS Service Dogs spend up to two years in training – the full cost of all of this specialized training is over \$45,000.

As a client, I have pledged to raise \$8,000 for NEADS, which will allow them to continue to train and place these highly skilled dogs. It is for this reason that I ask you to consider making a tax-deductible donation to NEADS to help me reach my fundraising goal. Gifts of all sizes will be greatly appreciated

When I return home with my Service Dog, I would be happy to meet with you or speak to your school or business. All sponsors are invited to attend our graduation – a unique and heartwarming event which occurs twice each year.

Thank you in advance for your kind consideration. Please do not hesitate to contact me with any questions.

Sincerely,
