Serious and Compelling Drop/Withdrawal Period (beginning census and before the last three weeks of Instruction):

All drops/withdrawals must be for a serious and compelling reason which makes it impossible for the student to complete course requirements. A serious and compelling reason is defined as a medical, emotional, or other condition acceptable to and verified by the instructor of record and the department chair in which the course is offered. Failing or performing poorly in a class is not an acceptable "serious and compelling" reason within the University policy, nor is dissatisfaction with the subject matter, class, or instructor. When a drop/withdrawal has been approved, a "W" grade will be recorded on the student's transcript. **An undergraduate student may withdraw from no more than 18 total units throughout their undergraduate career at Fresno State.**

- Individual course drop:** Student must fill-out the Drop/Withdrawal form and indicate the reason for the drop. Student must obtain the approval of the instructor(s) and department chair(s). **The Student must provide written documentation that substantiates the condition. The reason must be acceptable to and verified by the instructor(s) of record and the department chair(s).** Without sufficient and qualifying supporting documentation, your request will be denied. Once the form is filled out and all appropriate approvals are obtained, the form and documentation are submitted to the Student Services Center in Joyal, North Lobby.
- Complete withdrawal:** Student must fill-out the Drop/Withdrawal form and indicate the reason for the withdrawal. **The Student must provide written documentation that substantiates the condition. The reason must be acceptable to and verified by the instructor(s) of record and the department chair(s).** Without sufficient and qualifying supporting documentation, your request will be denied. Student must obtain the approval from each instructor and department chair for every enrolled class. Student must also have an exit interview with the Financial Aid Office and other offices, as appropriate. Once the form is filled out and all appropriate signatures are obtained, the form and documentation are submitted to the Student Services Center in Joyal, North Lobby.

Last three weeks of Instruction:

DROPS/WITHDRAWALS WILL NOT BE PERMITTED except in cases where the cause of the drop/withdrawal is due to circumstances CLEARLY BEYOND THE STUDENT'S CONTROL and the assignment of an Incomplete grade is not practical. When a drop/withdrawal has been approved, a "W" will be recorded on the student's transcript. Drops/withdrawals during the last three weeks of instruction may be included in the 18 unit limitation. **NOTE: Drops/Withdrawals during finals week are not permitted.**
