

Emergency Resit Request Form

Candidates may submit an emergency resit request to the National Association of Boards of Pharmacy® (NABP®) if an emergency including a death in the immediate family, serious illness, unexpected hospitalization, a serious injury or accident, an unexpected required court appearance, or jury duty occurs on the day of the examination appointment.

Please submit this completed form, along with official documentation of the emergency (eg, hospital documents, police report, court documents, jury pay stub, obituary). Emergency resit requests must be received by NABP no later than three business days after the scheduled testing appointment at Pearson VUE. A decision will be made within seven business days. If approved, the candidate will be allowed to purchase a resit for the specific North American Pharmacist Licensure Examination® (NAPLEX®) or Multistate Pharmacy Jurisprudence Examination® (MPJE®) at the discounted fee to receive a new Authorization to Test (ATT). If the candidate is not approved, he or she must pay full examination fees for the NAPLEX or MPJE to receive a new ATT.

In addition, the candidate's eligibility must be valid and not expired. ***Candidates who have 10 business days or less left on their eligibility will not be able to purchase a resit for NAPLEX or MPJE.***

Note: Candidates should use this form only when they have missed a scheduled testing appointment and failed to cancel the appointment at least two business days prior to the scheduled testing appointment in accordance with NABP's cancellation procedure.
