## Data Protection and Use of Images

In order to provide your holiday, we need to collect certain personal details from you and as appropriate, pass these on to suppliers and other third parties. We would like to keep and use these details for the purpose of sending you our brochure and other marketing material in the future. Full details of our data protection policy can be found on our website.

We often take photographs or videos during a tour for publicity purposes. Naturally we like to have some photos that include our lovely guests. We like to use these images in our brochure, other printed materials and on our website. We may also send them to the news media for PR. We need your permission to do this and would be most grateful if you would let us use the photographs taken by our guides during this tour that may include you. Rest assured we do not use guests' names together with the photographs.
