

Mid-Course Evaluation

Dear Student:

Please use this questionnaire as a constructive way to provide feedback to your instructor about his/her teaching. Please take a moment and think through your comments to be as specific as possible so that your instructor can determine what steps to take to make his/her teaching more effective for you. Your answers to this questionnaire should be returned to your instructor and will be seen only by your instructor. You will be asked to complete an online evaluation at the end of the semester that will be used for course and instructor evaluation. Thanks for your feedback.

Do you usually understand what is expected of you in preparing for and participating in this class? If not, please explain why not.

What aspects of this course and your instructor's teaching help you learn best?

What specific activities and/or assignments are most effective?

What specific advice would you give to help your instructor improve your learning in this course?

What steps could you take to improve your own learning in this course?

What other ideas would you suggest to improve this course (e.g., changes in course structure, assignments or exams)?
