

## Sustainable Landscaping Interest Form

Name: \_\_\_\_\_

- Yes, I would like a sustainable landscape installation at my property.

Contact Information (email / telephone):

\_\_\_\_\_

Address:

\_\_\_\_\_

Property Type:

- |  |                                       |
|--|---------------------------------------|
| <input type="checkbox"/> Single-family home  | <input type="checkbox"/> Empty lot    |
| <input type="checkbox"/> Multi-unit building | <input type="checkbox"/> Other: _____ |
| <input type="checkbox"/> School              |                                       |
| <input type="checkbox"/> Church              |                                       |

Approximate property size:

Current vegetation:

Current irrigation:

Are you familiar with our green infrastructure programs?

- |  |  |
|--|--|
| <input type="checkbox"/> Sustainable Backyards   | <input type="checkbox"/> Solano Gardens            |
| <input type="checkbox"/> Resilient Neighborhoods | <input type="checkbox"/> Benicia Community Gardens |
| <input type="checkbox"/> Urban Forests           |  |

How did you learn about us?

What do you think is feasible on your property?

- |   |  |
|---|--|
| <input type="checkbox"/> Permaculture                   | <input type="checkbox"/> Roof-water capture      |
| <input type="checkbox"/> Edible landscape / Garden      | <input type="checkbox"/> Bioswales               |
| <input type="checkbox"/> Large shade trees              | <input type="checkbox"/> Simple shade structures |
| <input type="checkbox"/> Laundry to landscape greywater | <input type="checkbox"/> Chicken Coop            |
| <input type="checkbox"/> Shower to landscape greywater  | <input type="checkbox"/> Composting              |

If manifested, how would this project benefit the larger community?
