EDUCATION AND TRAINING FELLOWSHIP PROGRAMME

APPLICATION FOR THE EAPCI EDUCATION AND TRAINING FELLOWSHIP PROGRAMME

Thanks to the financial support from industries sponsors, the European ASSOCIATION OF CARDIOVASCULAR INTERVENTIONS (EAPCI), a branch of the European Society of Cardiology (ESC), is offering an Education and Training Fellowship Programme available to qualified Medical Doctors and Cardiologists working in the field of Interventional Cardiology. We invite separate applications from both individuals and centres to be matched exclusively by the EAPCI Fellowship Committee. The starting period for applications is October 2019.

The deadline for applications is 15 January 2019, with a start date between 1 June and 31 December 2019.

Prior to completing this form, please carefully read **the Rules and Regulations** for the EAPCI Education and Training Fellowship Programme for interventional cardiology.

Rules are available on the EAPCI website:

<http://www.escardio.org/Education/Career-Development/Grants-and-fellowships/EAPCI-interventional-cardiology-training-and-research-grants>

**All parts of the application form must be returned by
15th January 2019**

Any application received by fax and/or post only or received after the mentioned deadline will not be acceptable.

Extract from Regulation for information

REGULATION (EU) 2016/679 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation)

Section 2 Information and access to personal data Article 13

Information to be provided where personal data are collected from the data subject

1. Where personal data relating to a data subject are collected from the data subject, the controller shall, at the time when personal data are obtained, provide the data subject with all of the following information:

(a) the identity and the contact details of the controller and, where applicable, of the controller's representative;

(b) the contact details of the data protection officer, where applicable;

(c) the purposes of the processing for which the personal data are intended as well as the legal basis for the processing; 4.5.2016 L 119/40 Official Journal of the European Union EN;

(d) where the processing is based on point (f) of Article 6(1), the legitimate interests pursued by the controller or by a third party;

(e) the recipients or categories of recipients of the personal data, if any;

(f) where applicable, the fact that the controller intends to transfer personal data to a third country or international organisation and the existence or absence of an adequacy decision by the Commission, or in the case of transfers referred to in Article 46 or 47, or the second subparagraph of Article 49(1), reference to the appropriate or suitable safeguards and the means by which to obtain a copy of them or where they have been made available.

2. In addition to the information referred to in paragraph 1, the controller shall, at the time when personal data are obtained, provide the data subject with the following further information necessary to ensure fair and transparent processing:

(a) the period for which the personal data will be stored, or if that is not possible, the criteria used to determine that period;

(b) the existence of the right to request from the controller access to and rectification or erasure of personal data or restriction of processing concerning the data subject or to object to processing as well as the right to data portability;

(c) where the processing is based on point (a) of Article 6(1) or point (a) of Article 9(2), the existence of the right to withdraw consent at any time, without affecting the lawfulness of processing based on consent before its withdrawal;

(d) the right to lodge a complaint with a supervisory authority;

(e) whether the provision of personal data is a statutory or contractual requirement, or a requirement necessary to enter into a contract, as well as whether the data subject is obliged to provide the personal data and of the possible consequences of failure to provide such data;

(f) the existence of automated decision-making, including profiling, referred to in Article 22(1) and (4) and, at least in those cases, meaning information about the logic involved, as well as the significance and the envisaged consequences of such processing for the data subject.

3. Where the controller intends to further process the personal data for a purpose other than that for which the personal data were collected, the controller shall provide the data subject prior to that further processing with information on that other purpose and with any relevant further information as referred to in paragraph 2. 4. Paragraphs 1, 2 and 3 shall not apply where and insofar as the data subject already has the information.
