Upon receipt of your booking form and deposit, you will receive confirmation of your place on the journey.

#### DEPOSIT AND FINAL PAYMENT

The deposit is non-refundable. We will advise the exchange rate on the day of your deposit payment to us. Final payment for the tour needs to be made 120 days prior to departure and the applicable exchange rate will apply for payments made at this time and be advised to you.

We reserve the right to cancel this tour due to circumstances beyond our control and if so a full refund will be provided. We will endeavour to do this prior to the time that you make your flight and other arrangements that are not refundable. If for any reason the nominated tour leader was not able to accompany the group, the option to still attend if possible and a discount would be offered to avoid the need to cancel the tour arrangements and cover your inconvenience in this unlikely event. For some tours minimum numbers may need to be met before the tour leader will be guaranteed to accompany the group or the tour may alternatively not operate without the required minimum numbers.

#### CANCELLATION CONDITIONS

Your deposit is NON-REFUNDABLE. Excepting the circumstance above if the tour was cancelled we will refund you in this circumstance. Within 120 days of departure 100% cancellation fee applies. No refunds or exchanges can be made in respect to flights, accommodation, meals, sightseeing, tours, transportation and any other services rendered but not utilised by the passenger during any part of the journey.

#### SNORKELLING / DIVING / FREE DIVING / SWIMMING COMPETENCY

If your tour requires that you are a competent swimmer and/or familiar with snorkelling techniques, please advise your experience level as accurately as possible. For some tours, special equipment may be required to be used and instructions on usage provided. For some scuba diving activities, a certain level of experience is required. Eligibility to scuba is individually assessed aboard by our Divemaster and certificate level reached and proof of dives logged are required.

reserve the right to alter or modify arrangements in any way necessary in the interest of the clients or due to circumstances beyond our control.

#### PASSPORT AND VISAS

It is the traveller's responsibility to ensure that they possess the necessary travel documentation for the tour, such as a valid passport. In general a passport should be valid at least 6 months beyond the end of your journey and have two clear pages for each country to be visited to allow for entry and exit stamps en-route or for any visas. Your journey may require a visa for your country's passport. If you are transiting or stopping elsewhere on your journey, other visas may be required. Please ask about this. Wentworth Travel is able to organise and coordinate visas if required. If you plan to visit other countries, some do require visas in advance and proof of travel insurance.

#### MEDICAL FORMS

You must disclose if you have any medical conditions that may affect your ability to participate or if you are travelling against medical advice.

#### TRAVEL INSURANCE

At the time of booking and paying your deposit, we strongly recommend that you purchase personal travel insurance. We can provide appropriate Travel Insurance and suggest you check any Credit Card cover you may have carefully. It is a requirement for all of our tours that you hold and provide documentation of comprehensive travel insurance with evacuation cover. We often operate in very remote regions of the world where medical assistance may be very limited.

#### APPROPRIATE BEHAVIOUR

The instructions of the leadership team and crew must be obeyed at all times. Refusal to do so may result in serious consequences, especially if safety is an issue. Any misbehaviour or disrespect of the local peoples, the environment or the wildlife will not be tolerated.

#### ADVENTURE STYLE TRAVEL

Please understand that the style of this trip may be of an exploratory and adventurous nature and there may be aspects that are out of our control. This is part of the joy of discovering the natural world. Our accommodation ranges from basic with bunk beds to luxury. Some ship cabins are not configured with double beds. We prefer to keep group sizes to smaller numbers and the overall pricing lower in order to maximise the quality of guiding and mentoring and the focus on quality and unique visitation experiences. Wildlife viewing is a privilege and no guarantee of seeing can ever be made in wilderness areas.
