

THE CITADEL

Denial of Media Release Form

If you grant permission to be included in media coverage as defined below, you **DO NOT** need to complete and return this form.

If you **GRANT PERMISSION**, you agree to the following:

The Citadel may photograph/film/record me while I am participating in college-related activities. This permission extends to recording my likeness and voice on a video, audio, photographic, digital, electronic or any other medium and to use my name in connection with these recordings.

I grant The Citadel permission to identify and include me as a participant in public events which may be covered by external media working with, or independently of, the college. I understand the college cannot control the inclusion of my image and actions as published or broadcast by external media outlets when I participate in these public events.

The Citadel has my permission to use my image, college-related information, and photographs, videos, and audio recordings for promotional purposes which could include Citadel publications, the college website and social media platforms, news releases, media relations and handout media kits, brochures, advertising, and other collateral in connection with the advertising and publicity of the college.

I grant these rights to The Citadel in perpetuity, and hereby convey all rights, titles and interests that I may have in any such pictures, videos, recordings, articles and reproductions of such items. I also waive the right to inspect or approve finished photographs, videos, multimedia productions, social media communications and other conventional/electronic media that may be used in conjunction with such items.

I acknowledge that I have read this document and understand this document, and as a student/cadet, I understand that this waives my right to control access to my likeness under the Family Educational Rights and Privacy Act (FERPA), by allowing the college my above permissions.

If you *do not return this form*, you hereby grant permission, as described above, for The Citadel and authorized media organizations to use materials featuring your image/likeness/voice and art or other creative work.

If you **DO NOT GRANT** permission to be included in any type of media coverage as described above, please fill out below.
