### Rules and Procedures of the Race:

1. The first car to complete the designated number of laps is the winner.
2. Starting position will be determined by the order that the cars are checked in the pit area on race day, pre-registered drivers will have priority placement.
3. Cars must hold their position until green flag is displayed.
4. Yellow flag will be used to rescue cars and drivers that are stuck during the race and pulled in the infield. The remainder of the cars will hold position and laps will count. Passing under yellow could lead to the driver being docked laps.
5. The red flag will be displayed if the track is blocked and racing cannot continue. All cars must stop.
6. Cars will be allowed to enter the pits for repair and re-enter the racing surface only when the official indicates that it is safe to do so and **only under green or yellow conditions.**
7. The starter will indicate with rolled and crossed flags the mid point of the race. The white flag will indicate the last lap.
8. The starter will black flag and disqualify any car and driver with leaking gas tanks, or unnecessary rough driving and pushing.
9. A special area will be reserved for the scorers of the 100 Lap Enduro in the front grandstands. Each participant of the 100 Lap Enduro must provide TWO Scorers. No Other Race requires scorers. On race day the Scorers will follow the instructions of the **HEAD SCORER.**
10. **A mandatory meeting** for all Drivers and Scorers will be held on race day.
11. Brighton Speedway Official Scorers will have the final determination of winners.
12. No drugs permitted or use of alcoholic beverages permitted outside of the Licensed Area in Harry's Place in Turn 4.
13. **Cars will be teched from 9:00am to 12:30pm for each race.** Teching stations will be closed after this time. If a car does not pass a Safety Tech Inspection, there will be **NO REFUNDS.**
