

LUNCH ORDER FORM

In an effort to keep you well fed and the event on time, we have partnered with three local food vendors who will be providing lunch this year. We will be taking pre-orders for team portions and will have individual options available on site. All team portions are intended to feed 10 team members...unless someone is extremely hungry (lol). In that case you can always order seconds!

Each vendor will be providing approximately one third of the meals for the event and pre-orders are first come first serve. All orders will be available for pick-up in the beer tent at the start of lunch on game day.

Please submit all paper order forms on or before June 9th to The Job Shoppe. Alternatively, you can order online with a credit card at www.windsorcorporatechallenge.com/food. Please note all cheques must be made payable to Windsor Corporate Challenge – Memo Food Order.
