

# ***Private Tutor Request Form***

***College of Sciences Math Department***

The Math Success Center provides free walk-in small-group tutoring. We do not provide one-on-one private tutoring. As a courtesy to UCF students and parents looking for individual help for their students, we can try to connect you to a qualified tutor or Math major. If you are interested in private tutoring, please please fill out this form, save it as a PDF attachment and email it to [mathlab@ucf.edu](mailto:mathlab@ucf.edu). In case a tutor is available and interested in the job, the tutor will contact you directly.
