RULES AND REGULATIONS

- Races begin at 10:00 a.m. Saturday, March 23, 2019. This is a first-come, first-served process—so as entries are received they will be entered into a race. All races are open for on-site registration the day of the event. Forms are available on-site the day of the races.
- **MANDATORY CHECK-IN:** All dachshunds will be checked by a veterinary staff member in the staging area prior to their race. Dogs must be certified dachshunds—this doesn't mean that they have to be American Kennel Club registered, but must have the specific breed characteristics as stated by AKC. Veterinary staff will be on site to make sure dogs are qualified dachshunds and not a mixed breed. Mixed breeds will be allowed to run in the 20 pounds or less category. Chi-weenies are considered a mixed breed. District 2-T2 Lions Camp Bark & Brew organizers have the right to disqualify any dog if there is a question about breed or size.
- All dogs must have current shots – especially rabies.
- Races are assigned in order of receipt of a complete registration packet (i.e. registration form, entry fee, and current dog shot record).
- You may bring your dog's favorite toy – however, it may not be larger than 8 inches.
- No food (human or dog food) or other pets are allowed in the race track area.
- All dogs must be on a leash – except when racing.
- Owners are required to clean up after their dogs
- Dogs must be on their best behavior – no fighting, biting or aggressiveness.
- Only one owner/handler allowed in the race track area at any time.
- No waving blankets or other large items at the start of the race.
- The first and second place dogs from each race will qualify for the finals.
