Title I Budget for Parental Involvement Activities at ECW (Check only 3)

1% of Title I federal funds are set aside for the purpose of supporting parental involvement activities and resources at Evoline C. West Elementary. Parents are encouraged to be involved on the decisions regarding how funds reserved are allotted for parental involvement activities. In your opinion, how should these funds be utilized? **Please check the 3 that are most important to you and your child's success:**

1% of the Title I budget should be used to:

_____ Provide materials and training to help parents work with their children to improve their academic achievement

_____ Build staff capacity by training teachers, staff and other school personnel on the value and utility of contributions of parents and how to reach out to, communicate and work with parents as equal partners.

_____ Implement and coordinate parent programs and build ties between home and school.

_____ Integrate parental involvement programs, parent resource centers, etc. with parents of pre-K students and other early start programs to transition them into participating more fully the education of their children; these transitions should also include elementary school to middle school.

_____ Provide full opportunities for the participation of parents with limited English proficiency, parents of migratory children, and parents with disabilities, including providing information and school reports in a language that parents can understand.
