

D. Marks' Uniforms Ltd.

Canadian Coast Guard Auxiliary Uniform Program • Ordering Information

D. Marks Uniforms has been selected as the new primary uniform supplier for the Canadian Coast Guard Auxiliary.

How to Order

To place an order with D. Marks Uniforms Ltd. simply use the order form and chose any of these three options:

FAX: 1 800 524-3595
E-Mail: dmarksuniforms@bellnet.ca
Mail: **D. Marks' Uniforms Ltd.**
8383 St. Laurent Blvd.
Montreal, Quebec
H2P 2M7

You must include the shipping address, a fax number or an e-mail address and a Visa number.

All orders must be done in writing. Our order forms are designed to make sure that there are minimum errors. We use the original for delivery, sizing and inventory control. If you need a copy, just fax or e-mail us and we will send you one. The order forms are also available to print from the CCGA national web site. Simply go to our online store at www.ccgagcac.org/store/store_e.asp. For more information on the CCGA uniform guidelines, go to www.ccgagcac.org/publications/uniform_e.asp. If you have any question, please write or fax us.

Shipping and Handling

Shipping is charged to the customer at the time of shipment. It is recommended that orders be grouped whenever possible to save on shipping. If you want to group orders together to save on shipping, check the appropriate box (Multiple order) on Form 1 and the orders will be mailed to a single address. If you want the orders to be billed to more than one Visa card, **use one order form per Visa number.**

Terms of Sale

Payment term is a credit card number. Your Visa will only be processed when your order is complete on the day of shipping.

Delivery Time

When product is in stock and corresponds to a standard size (Form 1), D. Marks Uniforms will ship your order via prepaid Canada Post within 48 hours of receipt of order and applicable sizes. Custom orders, non-stock and made to measure items (Form 2) will be cumulated and put on the production line once a month. Delivery time on these items is estimated at 5-8 weeks. Should there be a delay longer than seven working days, we will contact you. Most ladies sizes are treated as men's or alpha sizes. If the sizes selected on the form are ladies' sizes, check the box **Ladies sizes only**.

Measurements & Return Policy

In the case of made-to-measure items, customers who supply their own measurements are responsible for ensuring that they are ordering correct sizes. The first thing to do is make sure all order forms are filled in properly. Your height and weight are very important to us. We use this to make sure your sizes match our height and weight standards. If we see something wrong we will contact you. For tunics, dress pants and forage hats please have a local tailor or someone with experience measure you.

While all orders are shipped from the original order form we know errors still can occur. Should the item be from our instock program and the error is your mistake, please fax us a note at D. Marks Uniforms Ltd. We will be happy to exchange it for you. We will fax you a Return Authorization Number and you will send us the item back prepaid (sorry no C.O.D. s accepted). When we receive the item, we will send you the new size. Your only cost will be the shipping charge to you. If the error is the fault of **D. Marks Uniforms Ltd.** follow the same procedure as above and we will send you the item prepaid at no charge.

Oversize Policy

Prices are guaranteed for a period of two years. A 10% additional charge will be applied to oversize items (XX-Large & over).

Alterations

On items which are made to measure, it is highly recommended that final alterations (cuffs) be done by your local tailor. On items which are ready to wear, sizes are identified on the measurement form. Unless indicated otherwise, uniforms and shirts are crested with shoulder flashes in place. If ranks are required, please indicate it on the form.

Warranty

All items are warranted in the following manner from the date of shipment.

- 24 hours from signature of delivery for errors or omissions on the shipping slip. Fax our office immediately. All orders are double checked before shipment.
- 15 days for fit or sizes changes. No items may be exchanged if washed, dry cleaned or worn.
- 30 days for defects from labour. Items will be repaired or exchanged at the discretion of **D. Marks Uniforms Ltd.**

Cleaning

As many items are made from dark navy polyester cotton blend, we cannot guarantee colour fastness. It is our experience that over time all dark colours made with polyester cotton blends will fade. However we recommend cold water washing and tumble drying. The first wash should be done separately. Due to the richness of colour, some bleeding will occur.

Other Items

D. Marks Uniforms Ltd. is a full service uniform manufacturer. We also carry a complete line of belts, flashlights, equipment and clothing. We have both embroidery and silk screening available. Just contact us and we will be happy to send you a price quotation.
