

Mentor Meeting Form

The purpose for you meetings with your faculty mentor is to open an ongoing conversation regarding such things as career options, internship and research opportunities, study abroad, Math “option” elective choices, and graduate school opportunities.

You are to meet with your faculty mentor once each school year. You will need to bring this form to your Mentor Meeting. The top box should be COMPLETELY filled out by the student before the meeting, and the bottom box should be completed at the meeting by the mentor.

Once you have completed the form, you will need to bring it to turn it in to your academic advisor.
