- Designate a TOD beneficiary(ies) on the account(s) identified in Section 1.
- Change the previously designated TOD beneficiary(ies) on the account(s) identified in Section 1.

3 BENEFICIARY DESIGNATION

Please indicate the name(s) of the beneficiary(ies) you wish to designate to receive your account(s) upon your death. The account owner(s) may not be listed as a beneficiary.

- Please complete the below Beneficiary Designation. The account owner(s) may not be listed as a beneficiary.
- The total primary beneficiary percentage allocation and total contingent beneficiary (if any) percentage allocation must EACH equal 100%.
- This designation supersedes any prior beneficiary designations that you have made.

If you are married and designate someone other than your spouse as your primary beneficiary, you may need to obtain your spouse's consent. You should consult with a legal advisor regarding your beneficiary designation and whether your spouse's consent is necessary. *Franklin Templeton Investments is not responsible for determining whether your spouse's consent is necessary.*

You may designate one or more primary and one or more contingent beneficiaries. Primary beneficiaries will share equally unless you specify certain percentages, which must total 100%. No beneficiary (primary or contingent) will receive any shares prior to your death or the death of the last surviving joint tenant (if applicable). If a primary beneficiary does not survive you or the last surviving joint tenant (if applicable), his/her interest passes proportionately to the primary beneficiaries who survive you or the last surviving joint tenant (if applicable), unless your state law 1) dictates a different application, or 2) expressly permits you to designate otherwise and you do so. If no primary beneficiary(ies) survive(s) you or the last surviving joint tenant (if applicable) and you have designated a contingent beneficiary(ies), the contingent beneficiary(ies) will share equally unless you specify certain percentages, which must total 100%. If no beneficiary survives you or the last surviving joint tenant (if applicable), the shares pass to your estate or the estate of the last surviving joint tenant (if applicable). Please note, upon your death, we have no obligation to contact your beneficiary(ies). Additionally, upon your death, if there is any question regarding your beneficiary designation, we reserve the right (but have no obligation) to request non-conflicting instructions from all designated beneficiaries regarding the disposition of the shares.

1. A Transfer on Death designation is not allowed for residents of the state of Louisiana.
2. If you currently receive any electronic documents from Franklin Templeton Investments, future documents will be sent to the email address provided on this form, replacing any prior email address on file.
