

Na-Cho Nyak Dun Human Resources Survey

My name is Natasha Young and I have recently been given the position of NND Liaison as per the Comprehensive Cooperation and Benefits Agreement (CBA) between NND and Victoria Gold. It states in this agreement that the NND Liaison will create and maintain a Human Resources Inventory. The purpose of the Human Resource Inventory is to identify potential employees and plan for training programs for Victoria Gold's Eagle Gold Project located 80 km north of Mayo. The Eagle Gold Project, a heap leach gold mine with a 12 year mine life, is currently going through the environmental assessment and permitting process.

Any information you provide will be kept confidential. The purpose of the survey is to gather information that will help the NND and Victoria Gold plan for employment and training opportunities for NND citizens.
