Membership Form 2014-2015

The Westminster Parents Association is an organization that serves as an additional source of support for Westminster students. The Association is a vehicle for parents to share information with other parents with students in college.

Much of the dues and contributions received by the Association go toward projects that will benefit your student's Westminster experience. For instance, each year the Association recognizes an outstanding faculty member for their contributions to your students' success and makes available mini-grants to student clubs and organizations.
