1. I, _____ choose to participate as a student in the LeapYear 2019-20 program.

2. In consideration of Naropa University holding a place for the Student in the LeapYear program, Student agrees to pay the program fee of \$36,900 in full to Naropa University. Naropa University agrees to provide educational services in the form of the LeapYear Program. I understand that this program fee must either be paid in full at the time of enrollment, or according to the following payment schedule.

Fee Schedule for LeapYear 2019-20:

Confirmation Fee	\$7,900
Payment 2: August 14, 2019	\$5,800
Payment 3: September 14, 2019	\$5,800
Payment 4: October 14, 2019	\$5,800

Total of all Installments

\$36,900

Student understands that the Program's operating budget is based upon specific enrollment factors and, accordingly, agree to be responsible for paying tuition in full at the time of enrollment or in the installments detailed above. The Student will not be allowed to continue the program if payment falls behind by 15 days or more. If responsibility for a Student's tuition is shared, default or delinquency of prompt payment by either party will jeopardize the Student's attendance. Student understands that the confirmation fee and all program fees are non-refundable.

3. Additional costs are the responsibility of the Student, as are any medical expenses accrued during and after the program, and all personal spending money during the LeapYear program.

4. Student agrees to withdraw upon request if tuition payments are not made when due or if Naropa University, in its sole discretion, determines that the welfare of the Student or the program requires such withdrawal. Naropa University retains the right to determine whether the Student's continued enrollment is in the best interest of the Student or the LeapYear Program. Naropa University cannot anticipate or list all the possible reasons why it may be necessary to terminate enrollment, but these include violation of LeapYear or Naropa University policies or any behaviors that jeopardize the health or well-being of the Student, the LeapYear program, other students, placement sponsors, or LeapYear staff. Naropa University retains the exclusive right and has discretion to determine what procedures to follow and to decide what reasons justify termination of enrollment or any other discipline. Upon withdrawal, dismissal, or the end of the program year, all books, program materials, and Naropa University property must be returned to Naropa University or the Student will be billed for replacement costs.

5. I understand that LeapYear is an educational program. It is not therapeutic in design, intent or methodology and is not a substitute for medical treatment, psychotherapy, or any health program, regardless of what you might have heard from anyone.

6. After admission to the program, Student agrees to provide Naropa University with completed and candid health survey and disclosure forms and all necessary student record forms. Non-disclosure of vital physical or emotional health information, or providing false information, on the health survey and disclosure forms may be cause for termination from the program.
