

Request for Exception to Early College Admission

*Exceptions for admission into the Early College program are granted on a **limited basis** for high school students who demonstrate a high potential for success in a college class. Each request is considered on an individual basis.*

Students who want to be considered for an exception must first complete the electronic Early College Application on our webpage www.gvltec.edu/early-college/.

Exception requests are **required** when any of the following conditions exist:

- a student is under 16 years of age
- a student desires to take more than 2 college courses in one semester (*this is only possible after student has **successfully** completed one semester of college course work*)
- a student desires to take online course(s), but has not yet successfully completed an Early College or AP class
- a student scores less than the minimum on the entrance/placement test (*this option is available for Career Center use only*)
