### NOTES:

1. Overtime approval is based on staff availability.
2. Engineering overtime inspection fees are calculated at \$125 per hour in 2-hour increments (minimum of 2 hours per request).
3. Any additional inspection time incurred over the approved time will be charged at the hourly rate in 2-hour increments.
4. Overtime for signal flash/power interruption is calculated at \$250 per day, per signal.
5. There will be no refunds or credit for cancellations.
6. The inspector will not be bound to your project exclusively.

**Payment is required prior the requested inspection date; if the payment is not made within time, services will not be provided. All work done in the absence of inspection will be rejected and subject to removal. Any contractor working within the vicinity of a signalized intersection while failing to schedule City-requested flash operation will be shut down. Contractors can be cited under City Code Sections 25-121 and 25-123(a).**
