Creating the Document for Printing:

- **Open Your Text Editor:** Start a new document in your chosen text editing software.
- **Copy the Template:** Copy the above template into your document.
- **Customize the Form:** Fill in the blanks with the relevant information. You may also add or remove sections according to your specific needs.
- **Formatting for Printing:** Ensure the document is properly formatted for printing. This might include checking the page margins, font size, and style for readability, and ensuring that the signature lines are correctly spaced.
- **Save and Print:** Once you've filled in and formatted your document, save your work. You can then print the document on quality paper for signing.

Important Note:

This template is a basic guide and not a legally binding document without proper legal review. Before finalizing and signing a marriage contract, it's strongly recommended to consult with a legal professional specializing in family law in your jurisdiction to ensure the contract meets all legal requirements and fully protects your rights and interests.
