Dear [Employer's Name],

I am writing to tender my immediate resignation from my position as [Your Position] at [Company Name] due to health reasons that necessitate urgent and extensive care. After discussions with my healthcare provider, it has become clear that my health must be my priority, and I am unable to continue my duties effectively.

This decision comes with great difficulty, and I deeply regret any disruption this may cause to the team and projects. I am profoundly thankful for the opportunities and experiences I have gained at [Company Name] and for the support of my colleagues.

I hope for your understanding and wish all my colleagues and [Company Name] continued success.

Thank you for your support during this time.

Best regards,
