

# Student Research Paper Proposal Example PDF

---

## 1. Title of the Research:

- Proposed Title: \_\_\_\_\_

## 2. Student Information:

- Name: \_\_\_\_\_
- University: \_\_\_\_\_
- Course: \_\_\_\_\_
- Academic Advisor: \_\_\_\_\_

## 3. Problem Statement:

- Research Question:
  - (State the primary question your research aims to answer.)
- \_\_\_\_\_

## 4. Background and Rationale:

- (Explain the background of your study and why it is relevant.)  
\_\_\_\_\_  
\_\_\_\_\_

## 5. Methodological Approach:

- Approaches Used:
  - (Describe the methods and techniques to be utilized in your research.)
- \_\_\_\_\_  
\_\_\_\_\_

## 6. Preliminary Literature Review:

- Key Theories and Models:
  - (List and describe the main theories and models that underpin your research.)
- \_\_\_\_\_  
\_\_\_\_\_

## 7. Hypothesis or Thesis Statement:

- (State your hypothesis or the thesis of the research.)

---

---

## 8. Research Milestones:

- (Outline the major milestones and their completion dates.)

| Milestone | Description | Due Date |
|-----------|-------------|----------|
|           |             |          |
|           |             |          |
|           |             |          |
|           |             |          |

## 9. References:

- (List all the scholarly references you will use in your research.)
