

Engineering Evaluation Report Form

Project Information:

- Project Title: _____
- Engineering Team Lead: _____
- Evaluation Period: _____

Evaluation Metrics:

Metric	Rating (1-5)	Observations	Actionable Steps
Design Efficiency			
Material Utilization			
Code Quality (if applicable)			
Compliance with Standards			
Safety Measures			
Timely Milestone Completion			
Innovation in Solutions			
Collaboration in Teamwork			

Comments on Overall Engineering Performance:

Evaluator Name: _____

Signature: _____

Date: _____
